NEWS RELEASE – SEPTEMBER 14, 2026

Golden Arrow Applies to Extend Warrants

Vancouver, BC / Newsfile / September 14, 2026 / Golden Arrow Resources Corporation (TSX-V: GRG, FSE: G6A, OTCQB: GARWF), ("Golden Arrow" or the **"Company")** announces that the Company has made an application to the TSX Venture Exchange to extend the term of 11,709,357 outstanding share purchase warrants (the "Warrants") that are set to expire on September 26, 2026 to be extended to March 26, 2027. These Warrants were originally issued on September 26, 2023 as part of the units issued under a private placement completed by the Company. None of the Warrants have been exercised.

The exercise price of the warrants will remain at $0.15. Each whole warrant, when exercised, will be exchangeable for one common share of the Company.

A total of 3,003,000 Warrants are held by persons who are "related parties" of the Company. Accordingly, the extension of those Warrants constitutes a "related party transaction" within the meaning of Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* ("**MI 61-101**") and TSXV Policy 5.9 – *Protection of Minority Shareholders in Special Transactions*. The Company relies on the exemptions from the formal valuation and minority shareholder approval requirements under MI 61-101 on the basis that the fair market value of the transaction, insofar as it involves related parties, does not exceed 25% of the Company's market capitalization.

The amendment is subject to the approval of the TSX Venture Exchange.
